

VERNADO

GROWING SMARTER
SEED | FERTILIZER | GROWTH REGULATORS

SURFACTANT LF4

Removes the tensions in water that cause droplets

Application rate: 25 mls per 100 Ltrs

SAFETY DIRECTIONS: Avoid skin and eye contact and breathing in vapour. Wear overalls, impervious gloves and chemical goggles. If inhalation risk exists wear organic vapour respirator. Store in a cool, dry, well ventilated place. Store away from strong acids and oxidising agents. Keep containers closed when not in use.

FOR FIRE: Fine water spray, normal foam, dry agent (carbon dioxide, dry chemical powder). Avoid breathing products of combustion/decomposition.
Unsuitable Extinguishing Media: N/A

FOR SPILLS: Clear area of all unprotected personnel. Slippery when spilt. Avoid accidents - clean up immediately. Wear protective equipment. Absorb with sand or soil. Collect and seal properly labelled drum or other suitable containers.

DISPOSAL: Refer to local government authority for disposal recommendations. Dispose of contents/container in accordance with local/regional/national/international regulations.

FIRST AID: For advise, contact a Poisons Information Centre (e.g. phone Australia 131 126; New Zealand 0800 764 766) or a doctor.

SWALLOWED: Rinse mouth with water. If swallowed, do NOT induce vomiting. Give a glass of water. Seek medical advise.

EYE: If in eyes, wash out immediately with water. In all cases of eye contamination it is a sensible precaution to seek medical advice.

SKIN: If skin contact occurs, remove contaminated clothing and wash skin with running water. If irritation occurs seek medical advice.

INHALED: Remove victim from area of exposure - avoid becoming a casualty. Remove contaminated clothing and loosen remaining clothing. Allow patient to assume most comfortable position and keep warm. Keep at rest until fully recovered. Seek medical advise if effects persist.
